Columbus Day

Hallelujah Party!

Parents, in the spirit of October, we will be hosting our annual Hallelujah party for the children.

We look forward to celebrating and seeing the children dressed in their favorite costumes.

Thank you!

Cognitive Skills: Days of the Week

Science: Oh, Nuts!/ Animals in the Orchard (cognitive development)

Outdoor activity: Red Light, Green Light (physical development—gross motor skills/social-emotional development)

October

Dramatic Play *"Bring in the Harvest"*

Your Materials:

- real/plastic fruits & vegetables
- baskets
- boxes
- wagon
- plastic garden tools (shovels, rakes, etc.)
- straw hats

Provide an assortment of fruit and vegetables for the children to use as they pretend to harvest their crops. Ideas include potatoes, pumpkins, apples, squash, corn or gourds. Invite them to use plastic gardening tools to dig and hoe the soil. Boxes, baskets, or a wagon can be used to gather the vegetables and haul them to another location.

As they play, talk with the children about what they're doing. Which vegetables can they lift with the shovel? Will all the vegetables fit in the box? What kind of treats might they make using the apples, pumpkins, or corn?
