Sing Along **“Harvesting” Song**

Your materials:

- **Felt set, or pictures of; one bushel basket, one scarecrow, three apples and two pumpkins.**
- **A flannel board**

Instructions:

Sung to “The Farmer in the Dell.” Begin with the bushel basket on one side of the flannel board and the food items below the scarecrow on the other side. Move each food item to the bushel basket as you sing about it. Provide time for the child to play freely with the felt pieces.

Lyrics:

**A-harvesting we’ll go, a-harvesting we’ll go.
We’ll pick the (apples) and take them home.
(Move apples to bushel basket; remove both)
A-harvesting we’ll go.**

**A-harvesting we’ll go, a-harvesting we’ll go.
We’ll thank the scarecrow for his time,
And then it’s home to dine.**

Movers & Shakers **“Harvest Hunt”**

Your materials:

- **Sturdy vegetables**
- **A wagon**

Instructions:

Have your little harvesters search for their fall crop. Hide several small pumpkins, apples, gourds, corn, or squash in your outside play area. Set out a wagon and invite the children to help each other search for the items. When they find them, they can place them in the wagon. How many vegetables did the group harvest? If you have snow in your area this time of year, bundle up for your search. Provide shovels to scoop the vegetables out of the snow and a sled instead of a wagon for gathering them.

Adaption:

Hide smaller harvest in plain sight and at a close reach so young children can successfully participate in the activity too.
